All Dogs Gym - General Site Information

Per a city noise ordinance, none of the buildings may be unlocked before 7AM. Please be aware of this and be respectful of The All Dogs Gym and Inn neighbors. If you arrive before 7, please try to limit any barking of your dogs while in the parking lot. Thank you.

All Dogs Agility will provide chairs for competitors in the agility arena but you may also bring your personal chair if you prefer. Please NO reclining or Lafuma type chairs, or chairs with a high back. Chairs will only be allowed in the marked areas so that there will be sufficient room for dogs and competitors to pass comfortably behind the seating area.

Please do not tie or leave your dogs unattended in the agility arena seating area.

Products applied to a dog's pads such as Show Foot or Tacky Paw may not be used in The All Dogs Gym. These products leave a residue that can damage the flooring. Thank you for your cooperation.

The All Dogs Gym and Inn is a busy boarding and grooming facility with lots of dogs and people coming and going, many of whom are not always aware of what their dog may be doing. PLEASE be aware of this as you are entering and exiting the building. Absolutely NO flexi-leashes are allowed inside the building.

For the safety of dogs belonging to competitors and clients of The All Dogs Gym and Inn, dogs may be off leash in the following areas only; at the warm-up jump, while in the agility ring or while in the fenced area behind the main building. Any owner of a dog found to be off leash in any other area (including the parking lot) will receive a single warning and after that will be asked to leave the property. No refund will be given.

Please do not park in the traffic circle in front of the building except briefly to unload. Also the parking spaces behind the Warehouse are reserved for the All Dogs Gym and Inn staff.

Crating at All Dogs Gym for This Event

Crating for this event will be in the Classroom. Space is limited so please plan to stack crates. X-pens will be allowed, minimum of 2 dogs and they must have a secure cover. You may be asked to move your dogs if they are 'barkers'. The Classroom is very close to the main desk for The Gym staff and they need to be able to hear the customers they are talking with on the telephone.

Warm Up Area

A single warm up jump will be provided in the agility arena area. No other obstacles may be set up and/or used at the show site for training, warm-up or any other purpose.

Food and Drinks

There will not be a food vendor on site for this event. There are several fast food type restaurants within a short drive of the test site. Lunch as well as snacks and drinks will be provided for all competitors who volunteer to help out at the event. Thanks in advance for your help. We couldn't do it without you!

RV Parking

RV/Camper parking is available at the show site during the day only. NO overnight parking at The All Dogs Gym and Inn is permitted. RVs and campers are restricted to the 'center' parking spaces. Please pull through so that you use 2 parking spaces back to back. Be respectful of the limited parking, using as few parking spots as possible and do not extend your slideouts. Thank you!

Policy Prohibiting Alcoholic Consumption

No alcoholic consumption or open containers of alcohol are permitted on the grounds. Noncompliance could result in immediate expulsion from the event, legal prosecution under local law or both.

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

All Dogs Agility Refund Policy

A dog or handler which suffers an injury and/or illness or bitches that come into season after the closing date may be eligible for a refund of 50% of the total entry fee. Requests for said refunds must be received IN WRITING and be accompanied by appropriate documentation from a vet or doctor on their stationery or letterhead, verifying the reason for said request. All requests must be received by the Test Secretary before the end of the event.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

Measuring Dogs Entered In Intro Program Classes

Dogs entered in the Intro Program classes that are under the age of 18 months SHALL NOT have measurements recorded should measuring be available at an event. ONLY an approved Advanced or Masters-level judge of record OR an Advanced or Masters-level judge hired for measuring purposes may measure an entered dog 18 months or older AND record that measurement on a temporary height card. A temporary height card sent to USDAA containing one or more of the required 3 measurement(s) prior to the age of 18 months will be returned so that the measurement process can be completed per regulations.

A dog NOT entered in the trial is ineligible to be measured.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

Tentative Check-In / Judging Time Frame

Per USDAA Policy, ALL competitors MUST check-in with the Trial Secretary (or their designate) **BEFORE** their first run of this event.

Self Check-in will be available for those competitors that send (or have previously sent) a copy of their permanent jump height card with their Entry Form. A printout of your Competitor Account from the USDAA web site indicating your dog's height has been certified is acceptable as well. **Copies of Temporary Cards (the blue paper ones) with 3 measurements and Judge's signatures are now acceptable for self check-in. Be sure to copy BOTH sides of your card.**

Check-in WITH measuring is tentatively scheduled from 1:15 to 1:45 on Friday and from 7:15 to 7:45 on Saturday and Sunday. If your dog needs to be measured please plan to arrive during these times. Please have your blue temporary height card with you when you have your dog measured. **After your dog is measured you MUST bring your signed height card to the Trial Secretary (or their designate) at the scoretable and check-in.** This MUST be done before your first run of the day.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

Competitors alone are responsible for the behavior of their dogs, children or guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Class Descriptions

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/rulesReg_eBook.cfm, and any amendments there to, which are downloadable from www.usdaa.com/rulesReg.cfm, each of which are hereby incorporated by reference.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. A dog entered in a Veterans class on a day may not be entered in that class in the Championship or Performance Programs. Complete program rules can be found at www.usdaa.com/rulesReg_eBook.cfm including amendments which are downloadable from www.usdaa.com/rulesReg.cfm

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at www.usdaa.com/gen_formDoc.cfm, and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Miscellaneous Class

The Miscellaneous Class provides handlers an opportunity to train in the ring and reward their dog with an audible toy. It is open to all dogs regardless of current level of competition. Dogs must be at least 18 months old and registered with the USDAA.

There will be a maximum course time of 60 seconds. The time will start 5 seconds after the handler has been given the "GO" signal or after the dog crosses the start line (which ever happens first). There will be a numbered course or you may choose to train a specific obstacle or skill. The dog may be rewarded inside the ring with a toy and may occasionally exit the ring with it's handler and be rewarded with a food treat. You may then return to the ring and continue until the 60 seconds maximum course time has been reached.

Harsh or abusive handling is STRICTLY PROHIBITED and will result in immediate dismissal from the ring and shall be subject to the disciplinary actions pursuant to Appendix C of the USDAA Official Rules and Regulations.

Intro Program Classes

The Intro Program is designed to help new competitors measure their progress in training and to acclimate to the fundamental elements in dog agility competition. Competitors with dogs that are at least fourteen (14) months of age and have not earned a title in the Championship, Performance or Veterans programs are eligible unless entered in the same class on the same day at the event in the Championship, Performance or Veterans programs when Intro Classes are offered at a regular event.

Obstacle standards shall be the same as in the Starters Class with exceptions noted in Chapter 10 of the regulations, as amended. See http://usdaa.com/rulesReg_eBook.cfm on USDAA's web site for details, which are incorporated here by reference.

Performance standards for the Intro Program Classes are the same as in the Starters level except as modified by special rules for each class as detailed in Chapter 10. Qualifications earned are accumulated toward title certification in each class - Standard, Jumpers, Gamblers and Snooker - and overall for a versatility title.

A competitor who is otherwise not eligible under the regulations for entry to the Intro Program for titling purposes may enter the Intro Classes for exhibition only ("FEO") at the clubs option, provided they are not also entered in the same class type in another program (i.e., Championship, Performance or Veterans). An FEO round is ineligible for qualification, prizes and awards. Non-audible toys held in hand may be utilized in an FEO round.

The FEO competitor may opt to run the course utilizing regulation A-frame heights as provided in Chapter 10 of the regulations, as amended July 1, 2016, for

the Intro Program. See http://usdaa.com/rulesReg_eBook.cfm on USDAA's web site for details, which are incorporated here by reference.

See entry form for details regarding jump / A-frame heights offered and FEO availability.
