All Dogs Gym - General Site Information

Per a city noise ordinance, none of the buildings may be unlocked before 7AM. Please be aware of this and be respectful of The All Dogs Gym and Inn neighbors. If you arrive before 7, please try to limit any barking of your dogs while in the parking lot. Thank you.

All Dogs Agility will provide chairs for competitors in the agility arena but you may also bring your personal chair if you prefer. Please NO reclining or Lafuma type chairs, or chairs with a high back. Chairs will only be allowed in the marked areas so that there will be sufficient room for dogs and competitors to pass comfortably behind the seating area.

Please do not tie or leave your dogs unattended in the agility arena seating area.

Products applied to a dog's pads such as Show Foot or Tacky Paw may not be used in The All Dogs Gym. These products leave a residue that can damage the flooring. Thank you for your cooperation.

The All Dogs Gym and Inn is a busy boarding and grooming facility with lots of dogs and people coming and going, many of whom are not always aware of what their dog may be doing. PLEASE be aware of this as you are entering and exiting the building. Absolutely NO flexi-leashes are allowed inside the building.

For the safety of dogs belonging to competitors and clients of The All Dogs Gym and Inn, dogs may be off leash in the following areas only; at the warm-up jump, while in the agility ring or while in the fenced area behind the main building. Any owner of a dog found to be off leash in any other area (including the parking lot) will receive a single warning and after that will be asked to leave the property. No refund will be given.

Please do not park in the traffic circle in front of the building except briefly to unload. Also the parking spaces behind the Warehouse are reserved for the All Dogs Gym and Inn staff.

Warm Up Area

A single warm up jump will be provided in the agility arena area. No other obstacles may be set up and/or used at the show site for training, warm-up or any other purpose.

Crating at All Dogs Gym for This Event

Crating for this event will be in the Classroom. Space is limited so please plan to stack crates. X-pens will be allowed, minimum of 2 dogs and they must have a secure cover. You may be asked to move your dogs if they are 'barkers'. The Classroom is very close to the main desk for The Gym staff and they need to be able to hear the customers they are talking with on the telephone.

Food and Drinks

There will not be a food vendor on site for this event. There are several fast food type restaurants within a short drive of the test site. Lunch as well as snacks and drinks will be provided for all competitors who volunteer to help out at the event. Thanks in advance for your help. We couldn't do it without you!

RV Parking

RV/Camper parking is available at the show site during the day only. NO overnight parking at The All Dogs Gym and Inn is permitted. RVs and campers are restricted to the 'center' parking spaces. Please pull through so that you use 2 parking spaces back to back. Be respectful of the limited parking, using as few parking spots as possible and do not extend your slideouts. Thank you!

Policy Prohibiting Alcoholic Consumption

No alcoholic consumption or open containers of alcohol are permitted on the grounds. Noncompliance could result in immediate expulsion from the event, legal prosecution under local law or both.

Express & Overnight Entries

Entries sent by Fedex, Express Mail or other courier service will only be accepted if the waiver allowing delivery **without signature** is signed. The club will not be responsible for deliveries delayed if a signature is required.

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

All Dogs Agility Refund Policy

A dog or handler which suffers an injury and/or illness or bitches that come into season after the closing date may be eligible for a refund of 50% of the total entry fee. Requests for said refunds must be received IN WRITING and be accompanied by appropriate documentation from a vet or doctor on their stationery or letterhead, verifying the reason for said request. All requests must be received by the Test Secretary before the end of the event.

Additional Entry Information

The address for overnight entries (UPS/FedEx) is Kim Tees, 42 Blueberry Point Rd., Raymond ME 04071. For Express Mail through the USPS please use PO Box 388, Raymond, ME 04071. If you send your entry overnight mail, please be sure to waive the signature requirement.

If you include an e-mail address on your Entry Form PLEASE be sure that a) you really do read your email and b) that your spam blocker allows e-mail to be accepted from tees1@maine.rr.com.

Entries with a valid (READABLE) e-mail address will receive a receipt of entry confirmation. Those entries without e-mail addresses will receive a Final Entry Confirmation ONLY that will be sent via the USPS AFTER the entry closing date.

If an e-mail address is included on your Entry Form, you will receive your Final Entry Confirmation via e-mail unless you specifically request otherwise.

Entry fees are payable in US dollars only. Please check your math closely when you write your check. There will be no refunds for overpayments. Entry Forms submitted with an underpayment of entry fees are not a valid entry and may be returned via USPS.

Entry fees will be deposited on or near the closing date. Please plan accordingly.

Please make checks payable to **All Dogs Gym**.

Please check your Final Confirmation for a link to access printable Competitor Running Orders before the trial.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

Tentative Check-In / Judging Time Frame

Per USDAA Policy, ALL competitors **MUST** check-in with the Trial Secretary (or their designate) **BEFORE** their first run of this event.

There is no early check-in planned for Friday evening.

Self Check-in will be available for those competitors that send (or have previously sent) in a copy of their permanent jump height card with their Entry Form. A printout of your Competitor Account from the USDAA web site indicating your dog(s) height has been certified is acceptable as well. **Copies of Temporary Cards (the blue paper ones) with 3 measurements and Judge's signatures are now acceptable for self check-in. Be sure to copy BOTH sides of your card.**

Check-in WITH measuring is tentatively scheduled from 7:15 to 7:45 on Saturday and Sunday. If your dog needs to be measured please plan to arrive during these times. Please have your blue temporary height card with you when you have your dog measured. **After your dog is measured you MUST bring your signed height card to the Trial Secretary (or their designate) at the scorable and check-in.** This MUST be done before your first run of the day.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

Competitors alone are responsible for the behavior of their dogs, children or guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Class Descriptions

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at www.usdaa.com/gen_formDoc.cfm, and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Masters Challenge Biathlon

This Biathlon consists of two classes; Masters Challenge Standard and Masters Challenge Jumpers. While these two classes will count as titling runs, they also form the biathlon where scores will be converted to time plus faults. After the two classes, scores will be combined to calculate those dogs in each jump height earning eligibility by posting an overall score in the top 25%. A dog scoring an elimination in either class will be eliminated from Biathlon award contention.

See complete rules at www.usdaa.com.

Team & Versatility Pairs Measure-up Policy

The handler of a dog entered in Team or Versatility Pairs must notify the secretary immediately should their dog be required to jump a higher height by virtue of the judge's measurement. The dog must jump the higher jump height in order to be eligible to earn a qualifying score in the tournament. If entered in Team, the dog that measured up may be moved to Versatility Pairs. If the handler chooses **not** to have their dog jump the higher height or move to PVP, their entry is effectively withdrawn. The competitor may or may not run for exhibition only (earning no individual class qualifications or tournament qualification for the team) solely at the discretion of the event secretary; there shall be no refund of fees paid.

If the change in height makes the dog ineligible for their team (three jump heights), the secretary will make every effort to form complete teams from dogs available. A move-up in height for dogs in Versatility Pairs does not affect their team composition, but may result in a change in their position in the running order because of the height composition of the Pair.
